Internship Offer Letter

Dear Dnyanesh Bachhav,

On behalf of VIEH Private Limited, I am pleased to inform you that you have been considered for the Front End Development internship. As a result, you will be working with us on the project "**Personal Portfolio Website**" from July 17, 2022.

During your internship, the concentration will be on helping you understand the theoretical concepts with their practicals and implementations to help you connect your classroom knowledge and on-field experience. As a result, you will be proactively contributing to the above-selected project, besides product development and research field. In addition, you will be required to complete performance and learning goals for your current project with us.

With this offer letter, you acknowledge that you understand participation in this program is not an offer of employment, and successful completion of the program does not entitle you to an employment offer from us. We hope that your association with the company will be successful and rewarding.

We look forward to having you begin your career with us. Once again, congratulations to you on your selection, and all the best for your endeavors.
